

Proclamation

Campbell Local Emergency Action Network (CLEAN) was established in 1996 as a volunteer, non-profit organization to address emergency preparedness within Campbell Industrial Park and its surrounding neighborhoods.

The communities of Makakilo, Kapolei and Honokai Hale have greatly benefited from CLEAN's effective partnerships, bringing together business, government and community leaders to collaboratively address emergency preparedness issues.

CLEAN's membership includes: AES, BEI Hawai'i, Chevron, DSR Logistics, Estate of James Campbell, Grace Pacific, HPower, Hawaiian Electric Company, Hawai'i Cement, Kalaeloa Partners, Marisco, O'ahu Gas Service, Tesoro Hawai'i, The Gas Company and individuals from the community and local government agencies, including the Department of Health's Clean Air Branch and Hazard Evaluation and Emergency Response Offices.

For the past 10 years, CLEAN has accomplished a great deal in working towards emergency preparedness such as the distribution of emergency response equipment and an annually updated emergency resource guide, provided at no cost to area businesses and schools.

By working in collaboration with the state, CLEAN placed an environmental specialist within the Hawai'i Department of Health and a hotline specifically for Kapolei area residents to report incidents or request information.

CLEAN provided a grant of \$3,000 to Hawai'i's Department of Education for emergency siren simulators to be installed at Makakilo, Mauka Lani and Kapolei Elementary Schools. This helped to enhance the shelter-in-place capabilities in the event of emergencies.

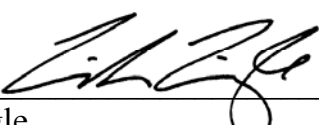

On September 21, 2006, the Campbell Local Emergency Action Network will commemorate its 10th anniversary with a special celebration themed: *"Celebrating a Decade of Emergency Preparedness in the Park."*

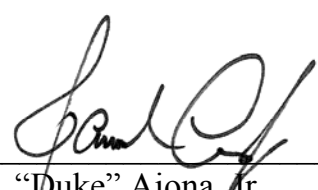

THEREFORE, I, LINDA LINGLE, Governor of the State of Hawai'i, and **I, JAMES R. "DUKE" AIONA, JR.**, Lieutenant Governor, do hereby proclaim **September 21, 2006**, as

CAMPBELL LOCAL EMERGENCY ACTION NETWORK DAY

in Hawai'i, and congratulate them on a decade of commitment and dedication to the second city of Kapolei. We appreciate your many contributions to the safety of those living and working in this flourishing region of O'ahu.

Done at the State Capitol, in the Executive Chambers, Honolulu, State of Hawai'i, this fourteenth day of September 2006.
